**CLASS OF 2018**

## **PASS THE HAT FUNDRAISER!**

**Senior year has arrived and Graduation planning & activities are well under way!**

You may know, that the school district does not fund all of the graduation celebrations. This includes Senior Celebration and the All-Night Graduation Party. Over the years, parents and students have worked to raise funds to ensure traditional celebrations continue for all graduates. Our goal is to reduce our overhead costs and provide scholarships to these events for families in need. If each Class of 2018 family donated \$50, we would have enough money to cover these expenses.

**We are fortunate that we have secured an Angel Donor** that will match all donations of \$50 or more, up to \$1,000! So please take this opportunity to donate \$50 or more and double your impact for the Class of 2018! Please consider donating what you can, however, our request is that **EACH FAMILY DONATE A MINIMUM OF \$50** . This will contribute to a great experience for all students of the Class of 2018.

**NO DONATION IS TOO SMALL!** All donations are tax-deductible. Please make a check out to the "SHS PTSA" and in the memo line mark it for "Class of 2018 and your child's name".

*You may mail checks or drop off at SHS office:*
